Checklist – Masters Programs in the College of Environmental and Global Health

To apply for admission to the University of Florida Masters Program in One Health or Environmental and Global Health, applicants MUST complete the 3 steps below.

1. Submit the University of Florida online Application for Graduate Admission. The application can be found at: http://www.admissions.ufl.edu/start.html

   _____ Complete the University of Florida Application for Graduate Admissions online and pay the non-refundable application fee. You may pay online by credit card or send the application fee and other required materials to the Office of Graduate Admissions (the address is listed below). Please note that the application fee is required from all students applying to a graduate program including current and former University of Florida students.

   _____ When completing the application:
   Under College/School, select Public Health and Health Professions (PHHP)
   Under Program/Major, select Masters in Environmental and Global Health and write in “One Health” for a concentration

   _____ Arrange to have official GRE test scores sent directly to University of Florida. The University of Florida code is 5812. Please allow 6-8 weeks for the official scores to arrive.

   Verbal _____ % ; Quantitative _____ % ; Analytical Writing _____ % ; TOTAL ______

   _____ Arrange to have official transcripts from each previous institution attended (other than University of Florida) sent to:

   Office of Graduate Admissions
   University of Florida
   201 Criser Hall
   P.O. Box 114000
   Gainesville, FL 32602 (352) 392-1365

   _____ Arrange to have official TOEFL, IELTS or MELAB scores sent to the Office of Graduate Admissions (International students only).

   _____ Arrange to have 3 Letters of Recommendation submitted directly.
   Please have your recommendations submitted on letterhead, as well as requesting completion of the form located at: http://graduateschool.ufl.edu/files/recommendation.pdf

   _____ Submit your professional Statement of Purpose outlining objectives that match the philosophy and focus of the program. Please indicate several full time faculty members working in your research area of interest with whom you would like to work. Faculty Names__________________________and ______________________________

   _____ Submit Curriculum Vitae (CV).

2. Also submit a copy of your UF application to the Department of Environmental and Global Health by February 1, including all of the above listed items. The Department will accept unofficial copies of your transcripts and test scores in order to begin reviewing your application at the earliest possible time. However, all official documents will have to be received by the Graduate Office of Admissions prior to an offer of admission from our program. Send your application and all attachments by mail to:
   a. MHS Program
      Department of Environmental and Global Health
      University of Florida
      1225 Center Dr., Rm. 4160
      PO Box 100188
      Gainesville, FL 32610
   Or by email to: egh-programs@phhp.ufl.edu

   If emailing your documents, please be sure to include them all in one email and do not send items in one at a time. Also note that letters of reference may be emailed, but must be sent directly from the recommender and not the student.
3. Send an email to egh-programs@phhp.ufl.edu to notify the program that you are applying and determine what, if any, other documents may be required. Please specify that whether you are applying to the MHS or PhD programs and your concentration.
