

EGH PhD REQUEST FOR UNDERGRAD COURSEWORK

Department of Environmental and Global Health ~ College of Public Health

Use this form to request to take undergraduate courses during your course of study. As the PhD in Public Health is a graduate degree program, UF's policy is that students are expected to take graduate courses. PhD students are not permitted to enroll in undergraduate courses without written approval of their supervisory chairs. *Students who register in undergraduate courses without permission will be required to withdraw when the unauthorized registration is identified. Furthermore, the student must absorb any financial loss associated with course withdrawal.* You must fill out form **COMPLETELY** except areas marked "Official Use Only". Please return to HPNP 4160 or email to your Academic Coordinator for approval.
